PROFILE

Front-End Developer with 4+ years of experience in building scalable applications using Angular, JavaScript, and microservices. Proven expertise in Azure DevOps for CI/CD pipeline management and API integration. Passionate about delivering high-quality solutions through rigorous unit testing and Agile methodologies. Seeking to leverage my skills in a dynamic, fast-paced environment.

EDUCATION

2024-2025

MARIANO GÁLVEZ UNIVERSITY OF GUATEMALA
- Master's Degree in Information Security (Currently enrolled)

2019-2023
MARIANO GÁLVEZ UNIVERSITY OF GUATEMALA
- Bachelor's Degree in Information Systems Engineering

WORK EXPERIENCE

2022 -2024
Frontend Developer
BAM
- Designed and implemented full-stack solutions for high-traffic banking applications using Angular and Node.js technologies.
- Optimized RESTful API integrations to enhance service communication and reduce server load.
- Led unit and integration testing strategies to ensure system stability across multiple layers of the application.
- Collaborated with cross-functional teams using Agile methodologies, participating in the entire development lifecycle from analysis to production deployment.

2021-2022
Junior RPA Developer
Concentrix
- Designed and implemented automated workflows using UiPath and Python to streamline accounting processes and reduce manual intervention.
- Optimized RPA bots for data entry tasks, improving task accuracy and execution time.
- Integrated automation solutions with internal databases and web services to ensure seamless data consistency across systems.

SKILLS

Hard Skills

- Programming languages and frameworks: JavaScript, TypeScript, Angular, React, HTML, CSS/SCSS, bootstrap
- Tools and platforms: Azure DevOps, Git, AWS
- Development expertise: Microservices, Microfrontend, architecture, API integration, RPA (Robotic Process Automation)
- Testing methodologies: Unit testing frameworks (e.g., Jasmine, Karma)
- Architectures: Clean architecture, MVC (Model-View-Controller)

Soft Skills

- Leadership and teamwork
- Problem-solving and decision-making
- Time management and adaptability
- Effective communication and persuasion
- Creativity and storytelling
